- *If you sat watching a game this year and thought you would enjoy coaching a ball team, please contact me via e-mail over the next couple of weeks so that I can put your name down on a list for next year's potential coaches.*
- Thanks to all the coaches / parents that walked in the Dairy Days parade and all of the parents that got their children to march in the parade as well. It was good to see all the kids and coaches in the parade and it meant a lot to me and I'm sure to all parents and grandparents as well.
- *For next year, we would like to get adult (over age 18) certified umpires who live in the area and have no children playing in the program. To become certified, a person is generally required to attend 5, 2-hour courses. These courses are offered in the months of January and February at TC3 and are free of charge. If this is something that may be of interest to you and you want to earn extra cash, or you know someone who may be interested, please contact us with your/their name and phone number.*
- I want to personally thank every unnamed person for his or her help this year in the Spring Ball / Summer Ball 2010 program.

- *This should be the last newsletter for this ball season. You should receive a newsletter in January with a calendar of clinics and sign ups for the new season. If your child is no longer interested in participating, just send us an e-mail and we will remove you from the contact list.*
